## Appearance change Announcement

We hope this letter finds you well and thank you always for your business.

We would like to make an announcement with respect to the captioned issue. Your understanding would be highly appreciated.

### 1. Applicable Model

P B A 1 0 0 F : All models including semi-standard and modified product.

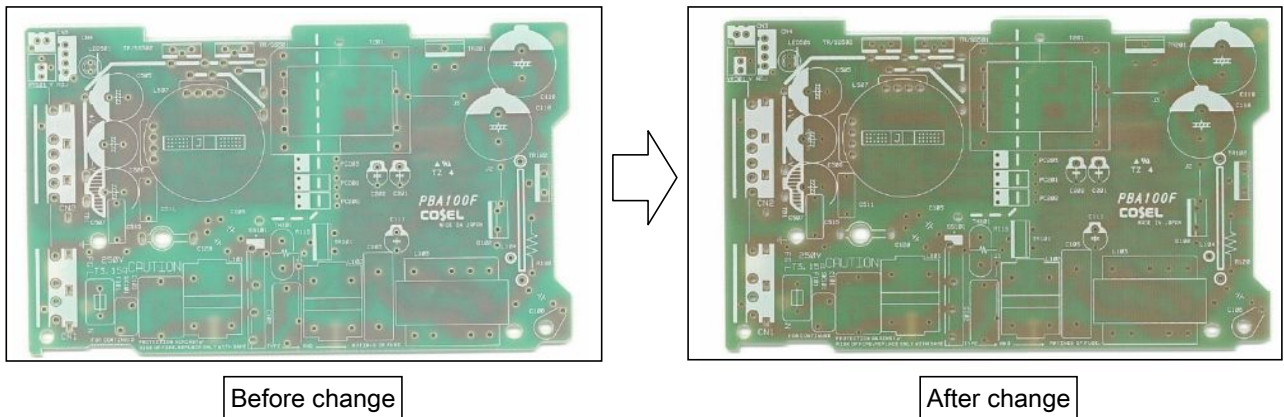

### 2. Description of the Change

We change materials maker of PWB so that we can obtain components more easily.

Therefore the color of PWB changes as shown in picture 2.1.

However the characteristic of PWB does not change. Please refer to table 2.1.

This change will not affect specifications and approved safety standard of the power supplies.

Picture 2.1 Comparison of appearance before and after change

Table 2.1 Comparison of characteristic before and after change
